

Pay As You Go Support

Computer support - made easy

iAssist provides expert computer repairs and help services.

We can fix your PC - Pay once guarantee

iAssist has an expert team of Microsoft Certified Technicians, MYOB Certified Consultant and MYOB trained Bookkeepers providing you with on-call computer support within Rockhampton, Gracemere, Parkhurst, and Yeppoon areas. We are proud to provide a simple and cost effective solution for computer support. We offer both on-site and off-site services and give you maximum flexibility with our pickup and delivery services.

As an iAssist Customer, you are assigned an account within our Service Assistance Manager (SAM). SAM is our online tracking system that will track your Hardware, Software, Service calls, billing and more.

Choose iAssist for your home or business support and let us manage your computers.
